PORK? - THE
THRILLING COMEX!

It was playtime at St. Pimples
the school for rich young ladies

But the very rich boys of nearby St. Elephants School had sneaked over the wall and were being very naughty...

Today's showing
is one of the fun-
'nests of SC Pimples.

Yes, the girls were at work in their
quest for refuge on the SE Elephant
boys.

VERY COMPLICATED
FORMULA

$$\frac{Z_1 + \alpha Z_0}{\sqrt{1 - \alpha^2}}$$

$\infty = 0$

$\frac{1}{N} \sum_{i=1}^N x_i^2$

The girls had certainly worked hard, developing their very own hand-to-hand air muscle.

And on the hill excitedly tried

WOOHRAH!

...elephants the girls
...tested their
...ment

It worked! But Unfortunately the nuclear warhead they'd put on the missile was so powerful, it destroyed not only SE Elephants but also SC pimps and

Tommy

So the girls got in pretty hot water when they got back

SCHOOL INVADERS

PIN-UP GAME!

The teachers are coming – to give you lines, detention, and some really boring lessons! Can you stop them?

You'll need – some paper planes, rubber-sucker darts or inky pellets – and a watch. Stand about 10 feet from the pin-up and set the watch going. Now throw your projectiles (one at a time). Each time you hit a teacher, mark them with a pin or bit of blu-tak to indicate that they're knocked out. You must knock out each teacher individually. If you get the lot in two minutes, you've won!

P.S. Winning against the teachers is virtually impossible – just like real life!

An Ode to Teachers

I really like my teachers, they're very nice indeed,
 I like the way they teach ME all the knowledge that needs
 to be learned, and where, with what... A ZILLION YEARS AGO.
 Like who they teach ME about, or anything on his TOE
 And Whisk King had pimples on his BOT, or burnings on his TOE
 I like it when they shout at ME, to stop me behaving badly,
 and give out bits of Punishments (which of course I accept gladly)
 I like it when they give me COOL stickers after I've played GAMES
 I like it when they give me COOL stickers after I've played GAMES
 which is just what I need when I'm keen not to tramp doing physical jerks in the rain.
 I like the way they make me shut up,
 Even though I want to Chatter,
 (I'm sure it's all helping me grow up,
 And what I want to do doesn't matter)
 YES, TEACHERS have done a lot for ME.
 I couldn't remember Noddy
 I've just got ONE FAULT that I can't seem to cure...
 I'M STILL A COMPLETE LIAR!
